### Inscription:

By signing this document, I hereby agree that this application must be submitted to the Garland Mills Cemetery Foundation and approved by the cemetery personnel before memorial manufacturing. Failure to do so releases the foundation from any responsibility of setting the memorial and any future damages. All memorials will be installed by an approved contractor of the foundation, contractors must comply with the approval process before consideration. We, the space(s) owner, purchaser of memorial, and dealer guarantee the memorial shall comply with all rules and regulations of the above listed cemeteries. Due to the nature of soil, instability in this and other areas, monuments will be installed with adequate foundation for their support. Monument foundation warranties are specific to the individual contractor. Following warranty, a reasonable fee will be assessed if leveling becomes necessary.
